Investment Funds: Hedge Funds

Band 3

The Firm: This dynamic group is renowned for its diversity and integrated approach. As well as traditional hedge fund formation and maintenance, the practice boasts considerable skills in tax, ERISA and real estate work. A significant mandate saw the team represent Castle Hill in its $2.5 billion spin-off from Axial, as well as the formation of two new funds.

Sources Say: "An outstanding firm that can be relied on for everything fund-related."

Key Individuals: Christopher Wells is hailed for his keen judgment and practical advice. He heads the group and is an esteemed adviser to leading hedge fund managers. Tax partner Amanda Nussbaum concentrates on the structuring of domestic and international investment funds and is appreciated by clients for her hard work and dedication. As one interviewee enthuses, "she makes a point of understanding our business, so knows what we need."
