Proskauer

Tax: Massachusetts – Chambers USA 2011

June 2011

Massachusetts **Tax**

Band 3

The Firm: This team is renowned for their expertise in forming alternative investment funds, M&A and controversy disputes. Recent clients include Goldman Sachs, Greenspring Associates, New Enterprise Associates and Bank of America Capital Investors.

Sources Say: "They are very high-quality, client service-oriented, gathering cutting-edge intelligence about what the tax authorities are doing."

Key Individuals: Arnold May advises the alternative investment fund community on its fund-raising and internal organizational matters. Most recently, he was involved in the representation of BuscaPé.com, a Latin American e-commerce company and its majority stockholder, Great Hill Partners, in a sale of a majority stake to Naspers for $342 million. Sources describe him as "an experienced attorney." Another fund formation tax expert, Scott Jones has most recently acted for Third Rock Ventures on an oversubscribed fund with over $400 million in commitments. Sources say that he "shines at complex hard-to-think-about problems, consistently delivering accurate advice."
