Labor & Employment – Chambers USA 2012

June 2012

National **Labor & Employment**

Band 2

The Firm: This firm has established itself as a leading player in labor and employment law. Its New York and New Jersey offices receive particular acclaim, while many of its attorneys possess government agency experience and frequently contribute to the development of law in this field. The firm represents a number of the major sports leagues in collective bargaining negotiations, including the NFL, NBA and Major League Baseball. Other areas of expertise include ERISA litigation, employee benefits, and labor and employment issues arising from mergers and acquisitions, bankruptcies and restructurings. Key clients include Coca-Cola, McDonald's, NBC Universal and Credit Suisse.

Sources Say: "We admire their complete research, presentation and knowledge regarding all Federal Statutes, including anticipated changes."

Key Individuals: Elise Bloom and Paul Salvatore cochair the practice from New York. They are commended for their broad expertise and client service.
