Tax: Estate Planning: Florida – Chambers USA 2013

May 2013

Florida

Tax: Estate Planning

Band 3

The Firm: The Boca Raton office of this well-respected international firm displays particular strength in its adroit handling of wealth management matters for a swath of high net worth individuals. In addition, charitable organizations, business owners, families and estates are also well catered for in this sphere. Enthusiastic clients are especially keen to highlight its advisory capabilities and sector knowledge.

Sources Say: "The service has been, in a word, excellent: thorough, knowledgeable, personal and of the highest professional caliber."

Key Individuals: According to impressed sources, David Pratt is "one of the most advanced estate planning attorneys when it comes to high-end, wealthy clients." He is a specialist in the areas of estates and trusts, and is highly regarded and well respected by peers and clients alike, who call him "fantastic, very hands-on," and "extremely knowledgeable."

The "exceptionally bright and diligent" Albert Gortz has a wealth of experience and a wide-ranging practice that counsels families and high net worth individuals on issues relating to financial, charitable, estate and personal planning work.
