Proskauer

# Labor & Employment: New Jersey – Chambers USA 2013

**May 2013**

New Jersey **Labor & Employment**

**Band 2**

The Firm: Proskauer's Newark-based labor and employment team focuses its practice on representing major companies within the financial services, entertainment and real estate industries. Current clients include JPMorgan Chase and Bed Bath & Beyond. Recently, the firm was successful in its defense of Metropolitan Life Insurance Company in a FINRA arbitration alleging wrongful termination in which the claimant sought $15 million.

Sources Say: "Excellent in terms of responsiveness and accessibility. They are willing to explain and to simplify and they coordinate very well."

Key Individuals: Head of the Newark office Lawrence Sandak is a stalwart of the New Jersey employment arena. "His oration and presence in front of the judge and jury are formidable and highly effective," sources say.

John Barry debuts in the ranking having received vociferous praise from clients. Sources say: "He has an excellent knowledge of what approach to take and is extremely responsive."

Marvin Goldstein's practice includes counseling employers in labor relations matters and defending companies in discrimination class actions.
