The *Legal 500* is an independent, unbiased guide to leading lawyers that has long been one of the most esteemed surveys of European law firms. The UK edition, now in its 26th year, is the guide to the "best of the best" law firms in the UK (covering England, Scotland, Wales, Northern Ireland and offshore United Kingdom). The performance of each firm is assessed through a review of a wide range of criteria. Recommendations from clients provide first-hand feedback on service quality, and interviews with lawyers in each subject area give a clear picture of each firm's practice.
