

# Noel Canning Oral Argument: Justices Express Skepticism

**Labor Relations Update Blog** on January 13, 2014

My experience is that oral arguments, while often interesting, rarely open much of a window into exactly how a court will actually decide the case. Today's Supreme Court argument in *NLRB v. Noel Canning* may be an exception. Nearly all of the Justices had questions which suggested skepticism over the validity of the President's January 4,...
