Aaron Francis is an associate in the Litigation Department and a member of the Data Privacy and Cybersecurity Litigation Group.

Aaron's practice focuses on complex civil litigations, internal and regulatory investigations, and arbitrations, covering a range of types of disputes, including cybersecurity, commercial contracts, and securities. He also advises, counsels, and represents various pro bono clients, including non-profit organizations on issues related to harassment and discrimination, incarcerated survivors of domestic violence in criminal appeals, and multiple other entities in civil rights litigation.

Aaron is a member of Proskauer's Black Lawyers Affinity Group.
