Abigail Cousins is an associate in the Litigation Department and Patent Law and Intellectual Property Groups.

Abigail is involved in all areas of intellectual property, concentrating on patent procurement and licensing in the electronic arts. She has been involved in evaluating patents for inclusion in certain multiparty licensing programs, including licensing programs for DVD and MPEG technology. She also has extensive patent prosecution experience in the areas of consumer electronics, semiconductor processing, information theory and coding, and financial services business methods.

She is a former partner at the law firm of Fitzpatrick, Cella, Harper & Scinto, New York.
