Adam Farbiarz is an associate in the Litigation Department.

Adam's practice encompasses a wide range of complex commercial litigation and dispute resolution. He represents clients in corporate governance, securities, and M&A-related disputes. Adam has also litigated a number of highly technical contract performance issues, including claims pertaining to the execution of a major construction project in Afghanistan, and the faulty implementation of a firmwide software build at a Fortune 200 company.

Before joining Proskauer, Adam founded and led a food service tech startup that continues to work with hundreds of restaurants in the New York City area and beyond.
