bmjackson@proskauer.com

Brett Jackson is a senior counsel in the Real Estate Department, and part of Proskauer's Real Assets practice group.

Brett is an experienced transactional attorney who focuses on all aspects of commercial real estate, including single-asset and portfolio acquisitions and dispositions, joint ventures, debt and equity financing, developments, leasing, and operational matters. His clients include REITs, Fortune 500 companies, developers, private equity funds, nonprofit institutions, and municipalities, with a broad range of asset classes, including life sciences, hospitality, office, industrial, sports, retail, mixed use, and senior housing. Brett also advises clients of the Corporate department on the real estate aspects of mergers and acquisitions.
