Past long-standing chair of Proskauer's Health Care Department, Ed Kornreich is a recognized authority on the legal, regulatory and business issues related to health care services.

Areas of Concentration

Ed works primarily on health care transactions, regulatory compliance, health care payment and governance issues for varied providers (both for-profit and not-for-profit), vendors, GPOs, distributors and entrepreneurs. His approach combines sensitivity to meeting regulatory business goals with a comprehensive and realistic assessment of the health care environment, and he is particularly experienced in dealing with the complex issues related to integrated health care systems.

Thereafter, Ed served as General Counsel of St. Luke's-Roosevelt Hospital Center, one of the largest teaching hospitals in New York. After leaving St. Luke's-Roosevelt Hospital Center, Ed joined

Proskauer as a Partner in 1990.
