Estelle Coulombel is an associate in the Labor & Employment Law Department.

Estelle has experience in both individual and collective employment issues. She recently advised her clients on psychosocial risks management, including in litigation before the employment courts. She also acquired expertise in European law regarding transnational secondments.

Estelle joined Proskauer in 2014. She also worked in the human resources department of a French asset management company.

Estelle received a Master 2 in 2014 in labor law from the University of Paris II – Panthéon Assas and a Master 1 in 2013 in labor law from the University of Paris I – Panthéon Sorbonne.
