foliver@proskauer.com

Frank Oliver is a partner in the firm's Global Finance Practice. He represents creditors in syndicated loans and private credit loans in matters involving leveraged acquisitions, restructurings and asset-based finance.

He has experience across a broad range of industries and sectors. Frank has previously represented financial institutions and direct lenders in structuring and executing acquisition financings, leveraged lending transactions and other complex financing structures. Frank also has deep knowledge in the restructuring of existing debt in special situations, both in and out of court.

Matters

Recent Representations
