Heather Viets is a Partner in the firm's Global Finance Practice. Heather advises clients on a full spectrum of leveraged and fund finance solutions. She represents financial institutions on a broad range of corporate finance transactions, with a focus on syndicated bank lending, private credit and fund finance.

Heather has significant experience providing strategic counsel to financial institutions and lenders in connection with leveraged- and investment-grade financings, including leveraged and investment grade acquisition financings, first and second lien credit facilities, bridge loan facilities, mezzanine facilities, debt restructurings, debtor-in-possession financings, exit financings and other secured and unsecured financings.

In addition, Heather advises borrowers and lenders on a range of fund finance transactions, including subscription credit facilities, NAV facilities, hybrid facilities, and other capital call and asset-backed structures for private equity and other investment funds. She has experience working on facilities across the fund lifecycle, including initial structuring, syndication, amendments and refinancings.
