Joshua Apfelroth is a partner in the Private Equity and Mergers & Acquisitions Group.

Josh's practice involves advising a diversified mix of corporations, private equity funds, hedge funds, investment bank and family office clients on complex corporate transactional issues, including public and private mergers acquisitions and dispositions, corporate governance, contests for corporate control, tender and exchange offers, spinoffs and joint ventures. Josh also advises growth companies and investors in connection with venture capital and other alternative investments. In addition, Josh advises clients on complex transactions involving distressed companies and assets, including restructurings, financings, investments, and mergers and acquisitions.

Josh represents clients across a broad range of industries, including in the infrastructure, technology, media and entertainment, pharmaceutical, life sciences, real estate and financial services sectors. Clients trust Josh to serve as a day-to-day legal advisor advising them on a wide array of governance, securities and other commercial matters, including directors' duties and responsibilities, board composition, public disclosure, and legal compliance.
