Mathilde Pépin is an associate in the Labor & Employment Department in Proskauer's Paris office. She previously worked as a judicial assistant at the labor chamber of the Rouen Court of Appeal, as an in-house counsel trainee at Sephora and Barclays and as a trainee lawyer at several law firms.

She advises national and international companies on all aspects of individual and collective employment issues. She also assists clients in their contentious matters. She has developed her experience on data privacy law in particular by working on the practical implications of the General Data Protection Regulation (GDPR).
