pboya@proskauer.com

Pierre-Marie Boya is a Private Equity M&A partner and a member of the Firm's Private Capital industry group.

Pierre-Marie's practice focuses primarily on highly regulated industries, including technology and healthcare, as well as energy and infrastructure.

His clients include private equity sponsors, venture capital firms, and public and private companies, which he supports throughout the full life cycle of their investments.

Pierre-Marie advises clients on a wide range of complex, cross-border transactions, including acquisitions and disposals, take-private transactions, LBOs, fundraisings, and distressed situations. He is also well placed to advise on structured liquidity solutions and private equity secondary transactions, including GP-led transactions, LP stake sales, and strip sales.

Matters

Recent experience includes advising:

- **Quercus Énergies** on Sale of Photovoltaic Power Plant Project in Sonzay, developed by Quercus Énergies, to JP Energie Environnement and Générale du Solaire
