“My enduring Proskauer memory is tremendous guidance and learning at the beginning of my career from seasoned attorneys above me, great 20-plus-year friendships forming, and attendance at unparalleled events like the NBA Draft and the Tony Awards.”

Proskauer colleagues and alumni reunite in New York City.

“When I think back on my time as an associate at Proskauer, what comes to mind is the mentorship that I was lucky enough to receive from the partners and associates that I worked with. This has been invaluable to me throughout my time as a lawyer.”
