

A One-Stop Shop for Private Credit

Proskauer is a go-to law firm for asset managers and providers of private credit, including private funds, credit funds, business development companies, hedge funds and specialty finance companies. We are one of very few firms with strong, deep practices on both transactional and debt fund structuring sides, and our lawyers have unparalleled knowledge of the terms and conditions prevalent in the market.

The Private Credit Group at Proskauer innovates at every turn. We have developed pioneering structures such as upside-down intercreditor arrangements, and private high-yield, synthetic and secured debt products.
